

Tracking Student Achievement in Relation to the Provincial Standard Junior Division (Grade 6) in 2012–2013 to OSSLT (Fully Participating) in 2016–2017

School Board: Avon Maitland DSB (66010)

EQAO tracked the progress of students who wrote the junior-division assessment in 2013, when they were in Grade 6, and the OSSLT in the 2016–2017 school year, when they were in Grade 10. The pie charts below show how students performed on the 2016–2017 test compared to their Grade 6 assessment results in 2013. The percentages are based on the number of tracked students in the cohort who participated in the OSSLT and for whom EQAO has Grade 6 results (including those who participated, those who were exempted and those who provided no work to be scored in Grade 6).

* Includes only students with validated data. Percentages may not add up to 100, due to rounding.
