

Tracking Student Achievement in Relation to the Provincial Standard Junior Division (Grade 6) in 2011–2012 to OSSLT (Fully Participating) in 2015–2016

School Board: Waterloo Catholic DSB (67148)

EQAO tracked the progress of students who wrote the junior-division assessment in 2012, when they were in Grade 6, and the OSSLT in 2016, when they were in Grade 10. The pie charts below show how students performed on the 2016 test compared to their Grade 6 assessment results in 2012. The percentages are based on the number of tracked students in the cohort who participated in the OSSLT and for whom EQAO has Grade 6 results (including those who participated, those who were exempted and those who provided no work to be scored in Grade 6).

* Data were linked using student names and Ontario Education Numbers (OENs). In some cases, data could not be linked because of inaccurate OENs, misspelled names or students' recent arrival in Ontario.
