School: Christ the King Catholic SS (697125)

School Board: Halton Catholic DSB (67113)

EQAO tracked the progress of students who wrote the junior-division assessment in 2015, when they were in Grade 6, and the mathematics assessment in 2018, when they were in Grade 9. There were **112** students enrolled in the Grade 9 applied course and **330** students enrolled in the Grade 9 academic course at the time of the 2018 assessment. The pie charts below show how students in the applied and academic mathematics courses performed on the 2018 assessments compared to their assessment results in 2015. The percentages are based on all tracked students in the cohort, including those who participated, those who were exempted and those who provided no work to be scored.

* Includes only students with validated data. Percentages may not add up to 100, due to rounding.
