

## Tracking Student Achievement In Relation to the Provincial Standard Junior Division (Grade 6) in 2013–2014 to Grade 9 in 2016–2017, Mathematics

**School: Dr John M Denison SS (904970)**  
**School Board: York Region DSB (66095)**

EQAO tracked the progress of students who wrote the junior-division assessment in 2014, when they were in Grade 6, and the mathematics assessment in 2017, when they were in Grade 9. There were **54** students enrolled in the Grade 9 applied course and **134** students enrolled in the Grade 9 academic course at the time of the 2017 assessment. The pie charts below show how students in the applied and academic mathematics courses performed on the 2017 assessments compared to their assessment results in 2014. The percentages are based on all tracked students in the cohort, including those who participated, those who were exempted and those who provided no work to be scored.

\* Includes only students with validated data. Percentages may not add up to 100, due to rounding.

N/R: "Not reported" indicates that the number of students participating is so small that identification of individual student results might be possible; therefore, results are not reported.

N/D: "No data available" is used to indicate that there were no students in the course.
