School: Smiths Falls District CI (942596)

School Board: Upper Canada DSB (66192)

EQAO tracked the progress of students who wrote the junior-division assessment in 2013, when they were in Grade 6, and the mathematics assessment in 2016, when they were in Grade 9. There were **57** students enrolled in the Grade 9 applied course and **105** students enrolled in the Grade 9 academic course at the time of the 2016 assessment. The pie charts below show how students in the applied and academic mathematics courses performed on the 2016 assessments compared to their assessment results in 2013. The percentages are based on all tracked students in the cohort, including those who participated, those who were exempted and those who provided no work to be scored.

* Data were linked using student names and Ontario Education Numbers (OENs). In some cases, data could not be linked because of inaccurate OENs, misspelled names or students' recent arrival in Ontario.
