## First-Time Eligible Students

### Ontario Secondary School Literacy Test, 2014–2015

**School: Chatham-Kent SS (919322)**

**Board: Lambton Kent District School Board (66036)**

On behalf of EQAO, I am pleased to provide you with the results of the 2015 Ontario Secondary School Literacy Test (OSSLT).

This report includes the 2015 results as well as results for previous years, so you can track progress over time. You'll also find demographic and attitudinal information, which provides context for interpreting the achievement results.

Reading and writing skills are critical to success both in and out of school in the 21st century. It is important for students to make sense of what they read and communicate clearly when they write. The OSSLT assesses whether Ontario students have acquired these fundamental reading and writing skills across all subjects up to the end of Grade 9.

By assessing all students in our education system at key stages in their schooling, EQAO is able to provide reliable and objective data at the individual student, school and board levels. EQAO results alongside board and classroom assessment data have proven effective for monitoring progress and allowing school communities to make evidence-based decisions in their planning.

At EQAO, we strongly believe that reliable evidence empowers and guides the judgment and actions of professional educators and school communities. We are pleased to continue our partnership with you as we all work toward helping students reach their full potential. I hope you will find this report to be a rich source of information as you turn knowledge into action for the benefit of your students and community.

Sincerely,

Bruce Rodrigues  
Chief Executive Officer

### TIPS

Each school is unique. To appreciate the distinctive character of a school, look at the contextual information to understand the features and characteristics of the community it serves.

This test captures the performance of students at one point in time each year. Consider the results along with other information about students' performance.

Exercise caution when interpreting results for small schools. Results may vary considerably from year to year, and differences may look exaggerated. For example, in a group of 30 students, a difference of 10% represents only three students.

Trends may be difficult to identify or to interpret. This is especially true in small schools or in schools where there is a high turnover in the student population.

EQAO values students' privacy. Beginning in 2012–2013, results are not reported publicly for schools where fewer than 10 students fully participated because it might be possible to identify individual students. Prior to 2012–2013, results were not reported publicly for schools where fewer than 15 students fully participated.

### WHAT IS IN THIS REPORT?

This report shows how well students at this school have met the minimum standard for literacy to the end of Grade 9 as set out in *The Ontario Curriculum*.

#### This report includes

- results for this school compared to the board and province;
- a comparison of results of the current and previous administrations to aid in monitoring improvement and
- information about the characteristics of the students who participated.

#### Specifically, you will find

- summary graphs showing participation and success rates;
- detailed tables and graphs showing results for various groups of students, e.g., by gender, English language learners;
- student questionnaire results and
- an explanation of all terms used in this report.

### HOW TO USE THIS REPORT

- Examine the contextual information to understand the similarities and differences among this school, the board and the province. Consider the challenges that any differences might present.
- Examine the school results.
  - Are these results consistent with what you would expect?
  - How do these results compare to the provincial results?
  - How do these results compare over time?
  - What influence might students' attitudes have on student performance (refer to the questionnaire results)?
- Speak to the school principal or the school council chair about the goals for improving student performance.

The Education Quality and Accountability Office is an independent agency that gathers information about student achievement through province-wide assessments.

## Ontario Secondary School Literacy Test, 2014–2015

EXPLANATION OF TERMS	
<b>First-Time Eligible Students</b>	First-time eligible students are working toward an Ontario Secondary School Diploma (OSSD). These students are expected to write the Ontario Secondary School Literacy Test (OSSLT) for the first time in the spring of their second year of secondary school; this also applies to students who entered Grade 10 from out of province.
<b>Previously Eligible Students</b>	Previously eligible includes all students who were absent or deferred, or were unsuccessful during one or more previous administrations; were previously exempted but are now working toward an OSSD; entered Grade 11 or 12 from out of province or enrolled in an adult education program and began Grade 9 in or after the 2000–2001 school year.
<b>All Eligible Students</b>	This method of reporting provides percentages based on <b>all</b> students in the cohort who are working toward an OSSD. The only students excluded are those who are not working toward an OSSD (exempt students).
<b>Fully Participating Students</b>	This method of reporting provides percentages based on students for whom there is work for both sessions of the administration of the OSSLT and who were assigned an achievement result (successful, not successful). Students who are not working toward an OSSD, those who were absent and those who were deferred are excluded.
<b>Successful</b>	Students who fully participated in the OSSLT and received a score that met the expected standard.
<b>Not Successful</b>	Students who fully participated in the OSSLT and received a score that did not meet the expected standard.
<b>Absent</b>	Students who did not submit work for <b>one or both</b> sessions due to absence or for other reasons.
<b>Deferred</b>	Students' participation in the OSSLT can be deferred under several circumstances, as outlined in EQAO's <i>Guide for Accommodations, Special Provisions, Deferrals and Exemptions</i> . A student is categorized as deferred only if the school indicates a deferral. If a student completed any portion of the OSSLT, he or she is not categorized as deferred.
<b>OSSLC</b>	Students are placed in this category of reporting if the school indicated that the students would be fulfilling the literacy requirement through the Ontario Secondary School Literacy Course (OSSLC). For details about the OSSLC, see the Ministry of Education Web site ( <a href="http://www.edu.gov.on.ca">www.edu.gov.on.ca</a> ). If a student completed any portion of the OSSLT, he or she is not categorized as OSSLC.
<b>Exempted</b>	Students can be exempted from the OSSLT only if they are not working toward an OSSD. A student is categorized as exempted only if the school indicates that the student is exempted. If a student completed any portion of the OSSLT, he or she is not categorized as exempted.
<b>English Language Learners</b>	Students who have been identified by the school in accordance with <i>English Language Learners: ESL and ELD Programs and Services: Policies and Procedures for Ontario Elementary and Secondary Schools, Kindergarten to Grade 12</i> (2007).
<b>English Language Learners Receiving Special Provisions</b>	English language learners identified by the school as receiving special provisions. Detailed information about special provisions is available in EQAO's <i>Guide for Accommodations, Special Provisions, Deferrals and Exemptions</i> .
<b>Students with Special Education Needs (excluding gifted)</b>	Students who have been formally identified by an Identification, Placement and Review Committee (IPRC), as well as students who have an Individual Education Plan (IEP). Students identified solely as gifted are not included.
<b>Students with Special Education Needs Receiving Accommodations (excluding gifted)</b>	Students with special education needs identified by the school as receiving test accommodations. Students identified solely as gifted are not included. Detailed information about accommodations is available in the Ministry of Education <i>Ontario Schools, Kindergarten to Grade 12: Policy and Program Requirements</i> (2011) and in EQAO's <i>Guide for Accommodations, Special Provisions, Deferrals and Exemptions</i> .
<b>N/R</b>	"Not reported" indicates that the number of students participating (fewer than 10 in a group) or responding to the Student Questionnaire (fewer than six in a group) is so small that identification of individual student results might be possible; therefore results are not reported.
<b>N/D</b>	"No data available" is used to indicate that there were no students in the group or year specified.
<b>W</b>	Results are being withheld by EQAO. For further information, please contact the school principal.
